

# ConnectEd

Keeping people connected to  
energy, water and communications

[ConnectEd.org.au](http://ConnectEd.org.au)

Do you find electricity, gas, water  
or phone/data bills hard to understand?

Want to learn how to lower your bills?

Do you know how to find a better deal?

**We can help you save money and gain control  
of your utility bills and consumption.**

ConnectEd information sessions are free and independent. ConnectEd provides valuable tools to help South Australian households understand and better manage their energy and water usage.

## How can ConnectEd help you?

Check out our website for more information and upcoming sessions in your area. Do you want to host a session for your community group? Send us an email!

Sessions can cover:

### Reading bills

Bills are a rich source of information - learn about what they can tell us.

### Plans & contracts

Find out how to choose a suitable energy or phone contract.

### Saving energy & water

Saving on usage means saving money! Includes information on running costs for appliances and home energy audits.

### Telecommunications

Understanding data, connectivity and digital literacy.

### Finding assistance

We can assist you with concessions, payment plans and connecting you to other agencies where needed.

### Problems & complaints

Troubleshooting - what to do when things go wrong.

**Don't forget to bring your bills along!**
